

Viking Insulated Grill Jacket for 100 and 300 Series Gas Grills

Solid Viking Construction

- Required when installing grill head in combustible materials

Exclusive Finish Details

- Available in Stainless Steel (SS)

Models

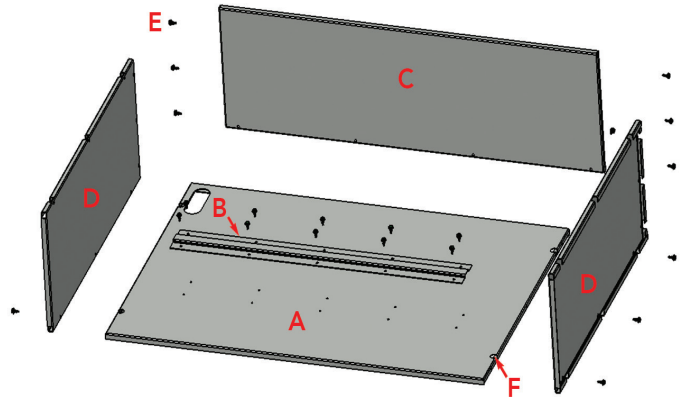

- INJK30 – used with VGBQ13002 and VGBQ33002RE
- INJK36 – used with VGBQ13603 and VGBQ33603RE

Warranty Highlights

- One year full – cover complete assembly

Installation

- Each kit includes a lower panel (a), lower panel support (b), rear panel (c), side panels (d), sheet metal fasteners (e), and cabinet fasteners (f)
- Start by attaching (a) to (b) with fasteners (e)
 - **Note:** This will take ten fasteners on the 36" model while only eight fasteners are needed on the 30" model
- Second, attach the rear panel (c) to the lower panel (a) with fastener (e)
- Third, attach each side panel (d) to the lower and rear panels with three fasteners between (a) and (d), and three fasteners between (d) and (c)
- Last, fully insert the assembly into the enclosure and attach the assembly to the cabinet using cabinet fasteners (f)

INJK36
